

The Barnett and Jean Hollander Rich Summer Mathematics Internship

Description: The Rich Scholarship program will support students in advanced study of mathematics under faculty supervision during the summer 2017. Students wishing to pursue advanced study under faculty supervision, either at CCNY or elsewhere, should obtain a commitment from a faculty mentor before submitting an application.

Award: \$6,000 for ten weeks during summer 2017 will be given in three equal checks. At the conclusion of the internship, participants are expected to submit a written report approved by their mentor, of no less than three pages, describing the nature of their summer work and summarizing their accomplishments. This report is due by August 14th, 2017, and the third payment for the scholarship will be made once you submit the report.

An additional \$100 will be given if a poster is presented at the CCAPP Annual Poster Presentation event in November 2017. This event would be a chance for you to present your work to various faculty and students at CCNY. Faculty mentors will receive an honorarium.

Benefit: Students will receive a key to use NAC 6/270 to study and perform their research throughout the summer, but must return the key at the end of the 10 weeks. It will begin June 5th and end August 11th

Eligibility:

1. Upper division mathematics majors (60 credits or above) and first year Master's students who have completed at least 12 credits of Master's level courses by the beginning of the internship.
2. Math GPA of 3.5 or higher in advanced courses completed at CCNY.
3. Two letters of recommendation from CCNY Mathematics Department faculty.
4. A minimum of a one page paper describing what you will be studying under the supervision of your faculty mentor.

Application Deadline: April 21, 2017

To Apply:

1. By the application deadline, complete and submit the attached Rich Summer Internship Application Form to the address below.
2. Give the attached Rich Summer Internship Recommendation Form to your faculty references.

Rich Summer Internship Application Information Form

Last Name: _____ **First Name** _____

Rich Mathematics Summer Internship Recommendation Form

Recommendation for: (Name of Student) _____

To the Student: I am aware of the rights afforded to me by the Federal Education Rights and privacy Act of 1974, as amended. I hereby _____ do _____ do not waive my right to examine the contents of this reference. I understand that by waiving my right I do so under the condition that the reference is used solely for the purpose for which it is requested.

Date: _____ Applicant's Signature: _____

To the Evaluator: The Rich Summer Internship is a \$6,000 award to either an advanced undergraduate mathematics major or beginning graduate student to support the student in a summer activity that will enhance the student's mathematical studies. The scholarship committee would appreciate your evaluation of the applicant's mathematical abilities, commitment to a career requiring advanced study of mathematics, as well as other personal or intellectual characteristics that might assist the committee in its selection. (Attach additional sheets if necessary.)

Please return this recommendation by **April 22, 2016** to:
